

# Tours at the Heurich House Museum

## Brewmaster Tour

The Heurich House Museum is pleased to offer the “Brewmaster Tour”, a guided tour and tasting event.

Once the home of Christian Heurich, D.C.’S most successful brewer, the “Brewmaster’s Castle” offers a unique look into the lives of Dupont’s elite during the 19<sup>th</sup> century. Built in 1892, this late-Victorian era mansion was Mr. Heurich’s family home and still retains its original furnishings. Learn about Mr. Heurich’s journey from a German immigrant to the owner of the Chr. Heurich Brewing Co., which he ran until his death at 102 years old.

The event will include an hour-long guided tour of the museum, with beer tastings along the way. Each guest will receive one beer flight throughout the tour, consisting of three local craft beer tastings.
